As per the Chairman's report, the Equity Shareholders, Secured Creditors and Unsecured Creditors, who attended the meetings unanimously approved the proposed Scheme.

7. RATIONALE OF THE SCHEME:

The petitioner companies have provided the following rationale for the Scheme:-

Asian Granito India Limited (AGIL), the Demerged Company 4/ Resulting Company 1 is a listed public limited company. Over the course of time, it has grown into a diversified conglomerate with interests in various businesses spanning the entire value chain of tiles, bath ware, marbles & quartz and other related products carried on either directly or through its subsidiaries.

DEMERGER

AGIL, the Resulting Company 1 has identified few of its suppliers, i.e., Affil Vitriified Private Limited (AVPL), the Demerged Company 1, Ivanta Ceramics Industries Private

Limited (ICIPL), the Demerged Company 2 and Crystal Ceramics Industries Limited (CCIL), the Demerged Company 3, that manufacture tiles for AGIL, the Resulting Company 1 on job work basis as well as manufacture tiles under their own brand names. These suppliers are in effect selling majority of their own production to AGIL, the Resulting Company 1. In order to integrate its manufacturing process and to inorganically expand its production lines, it is desirable to take over the tiles manufacturing businesses of these suppliers. Since these suppliers have separate brands, names and related Intellectual Property such as brands, trademarks, registrations, etc. attached to these names, it is considered appropriate to demerge only the tiles manufacturing businesses into wholly owned subsidiaries of AGIL, the Resulting Company 1 of similar names. To avoid effect on the financials due to payment of huge consideration in cash or by way of debt, the consideration is proposed to be paid by way of issue of shares by AGIL, the Resulting Company 1 which will be compliant with the definition of 'demerger' as defined under section 2(19AA) r.w.s. 2(41A) of the Income Tax Act, 1961

Through the aforesaid demergers of the Affil Tiles Manufacturing Undertaking from AVIL, the Demerged Company 1, the Ivanta Tiles Manufacturing Undertaking from ICIPL, the Demerged Company 2 and the Crystal Tiles Manufacturing Undertaking from CCIL, the Demerged Company 3, the stakeholders of AVPL, the Demerged

Company 1, ICIPL, the Demerged Company 2 and CCIL, the Demerged Company 3 will get access to a diverse business structure since AGIL, the Resulting Company 1 has presence in multiple industries leading to risk diversification in the hands of the stakeholders and also leading to stable valuation by the market. The stakeholders will also get safeguarded from the day-to-day hurdles specific to the tiles manufacturing business by diversifying their risk.

Further, the business of AVPL, the Demerged Company 1, ICIPL, the Demerged Company 2 and CCIL, the Demerged Company 3 will get an access to the huge market reach and marketing network of AGIL, the Resulting Company 1. These businesses will thus gain a chance of evolving into legacy businesses under the professional management of AGIL, the Resulting Company 1 due to their increased technical knowhow, diverse expertise and growth vision. The expansion opportunity from the access to infrastructure of AGIL, the Resulting Company 1 seems unparalleled.

Multiple entries of large organised players into the tiles industry are expected to drive the entire industry into a highly efficient space where large players would command premium on account of their competitive edge and managing a tiles manufacturing business as an unorganised player may become more and more challenging. Consolidation of the tiles manufacturing businesses under the banner of AGIL, the Resulting Company 1 would not only safeguard the

0
LP

~

businesses but also provide an edge to competitively grow in the ever-changing business dynamic.

The opportunity of growth in the businesses and risk diversification for the stakeholders of AVPL, the Demerged Company 1, ICIPL, the Demerged Company 2 and CCIL, the Demerged Company 3 and the inorganic expansion and synergistic opportunity for AGIL, the Resulting Company 1 due to better agility and higher control over its manufacturing process, more production lines and working capital requirements would provide the Demerged Companies and AGIL, the Resulting Company 1 with the me respective advantages while making the combined businesses of AGIL, the Resulting Company 1 and the Demerged Companies more sustainable and competitive in the long run.

SLUMP SALE and MERGER

The tiles business and marbles & quartz business have different industry specific risks, business cycles and operate inter alia under different market dynamics, and thus can attract different types of investors as well as management teams and follow different and independent strategies, even as they all have a significant potential for growth and profitability. Given the diversified business portfolio, it has become imperative for AGIL, the Demerged Company 4 to reorient and reorganize itself in a manner that allows it to impart greater focus, management alignment and growth for each of its business lines. AGIL, the Demerged Company 4 is also desirous of enhancing its operational efficiency, flexibility

4

in attracting capital and management talent through aligned risk return matrices.

The Scheme proposes to combine the interest of AVPL (the Demerged Company 1), ICIPL (the Demerged Company 2) and CCIL (the Demerged Company 3) into AGIL (the Resulting Company 1) and its subsidiaries by way of demerger of the Affil Tiles Manufacturing Undertaking from AVPL (the Demerged Company 1) into ACL (the Resulting Company 2), the Ivanta Tiles Manufacturing Undertaking from ICIPL (the Demerged Company 2) into ICL (the Resulting Company 3) and the Crystal Tiles Manufacturing Undertaking from CCIL (the Demerged Company 3) into CVL (the Resulting Company 4) to expand the tiles business of AGIL (the Resulting Company 1). Further, to reorganise and segregate the interests of AGIL (the Demerged Company 4) in different business lines, slump sale of the Marbles & Quartz Undertaking and merger of AGLIL (the Transferor Company) into AmCL (the Resulting Company 5/ the Transferee Company) are proposed.

The proposed restructuring pursuant to this Scheme is expected, inter alia, to result in following benefits:

- 0
↳
- i) combining and bundling of Affil Tiles Manufacturing Undertaking of AVPL, the Demerged Company 1, Ivanta Tiles Manufacturing Undertaking of ICIPL, the Demerged Company 2 and Crystal Tiles Manufacturing Undertaking of CCIL, the Demerged Company 3 into ACL, the Resulting Company 2, ICL, the Resulting Company 3 and CVL, the Resulting Company 4 which are, inter alia, wholly owned*

- subsidiaries of AGIL, the Resulting Company 1;*
- ii) better control on utilisation of production capacity due to integration of the manufacturing process;*
 - iii) Optimization of working capital due to consolidation of businesses;*
 - iv) inorganic expansion of production lines and opportunity for further organic expansion due to increased fungibility of the existing funds;*
 - v) economies of scale due to synergistic effect of the combination of the businesses related to similar business line of manufacturing of tiles;*
 - vi) segregation and unbundling of the Marbles and Quartz Undertaking of AGIL, the Demerged Company 4 into AmCL, the Resulting Company'*
 - vii) emergence of AmCL, the Resulting Company 5 as a Marbles & Quartz focused company, attracting the right investors and providing better flexibility in accessing capital, focused strategy and specialisation for sustained growth;*
 - viii) segregation of the business of manufacturing of building construction related materials and adhesive solutions to enable better focus and growth orientation on the developing new business line;*
 - ix) enhancing attractiveness of the entities for management teams by aligning risk return matrices and direct correlation of the rewards to their efforts;*
 - x) allowing the respective managements of AGIL, the Resulting Company 1 and AmCL, the Resulting Company 5 to pursue independent growth strategies in different regional and overseas markets;*
 - xi) achieve cost optimization and specialisation for sustained growth; and*
 - xii) enhancing operational efficiencies, ensuring synergies through pooling of the financial, managerial, and technical resources, personnel capabilities, skills, expertise and technologies by bundling the businesses pertaining to different industries.*

The proposed restructuring is in the interest of the shareholders, creditors, employees and other stakeholders in each of the companies.

8. After complying with all the directions given in the orders dated 25.10.2024 and 05.11.2024, Second Motion Petition was filed before this Tribunal by the Petitioner Companies on **30.12.2024**, vide Inward Diary No. E3294, for sanction of the proposed Scheme by this Tribunal.
9. 11. Pursuant to the service of notice upon the statutory/regulatory authorities, following authorities have responded:-

**STATUTORY/REGULATORY AUTHORITIES
OBSERVATION & RESPONSE THEREOF**

12. **The Regional Director, North-Western Region, Gujarat and the Registrar of Companies, Gujarat.**

In response to the notice served upon the Regional Director (RD), a report dated 03.03.2025 was filed by the RD, North-Western Region, on 05.03.2025, vide Inward Diary No. R113, along with report of the Registrar of Companies (RoC) dated 15.01.2025. They have made some observations in their reports. The petitioner companies have filed an

additional affidavit dated 11.03.2025, vide Inward Diary No.D1707, on 13.03.2025 in response to the representation/reports of the Regional Director, the Registrar of Companies and the Official Liquidator.

RD's Observation: The observations of the RD and response of the petitioner companies for these observations is discussed below.

8.1) That, it is observed from para 4 and 10 of Part-II of the scheme relates to Demerge Undertaking and consideration that three Demerged Undertaking of separate three Demerged Companies No. 1, 2 & 3 will be transfer and vesting with three separate Resulting Companies No. 2, 3 & 4 under Part-II of the scheme and consideration will be paid by other one Resulting Company No.1 Asian Granito India Limited which is holding Company of Resulting companies No. 2,3 & 4. The Asian Granito India Limited is listed company with the BSE & NSE.

In this regard, it is submitted that consideration is required to be paid by Resulting Companies No. 2, 3 & 4 to the shareholder of Demerged Companies No. 1, 2 & 3 respectively. But in this scheme, the consideration will be paid by other one Resulting Company No. 1 Asian Granito India Limited which is listed entity and holding of Resulting companies instead of Resulting Companies and

40

for this no reason/justification has been provided anywhere in the proposed scheme.

It is further submitted that all the shareholders (except shares hold by Resulting Company No.1) of three Demerged Companies No.1, 2 & 3 will become direct shareholders of listed company Asian Granito India Limited, Resulting Company No. 1 instead of shareholders of Resulting companies No. 2, 3 & 4.

In this regard, the Hon'ble NCLT may therefore be pleased to direct the Petitioner Company to explain in all viewpoints why consideration will be paid by other one applicant company Asian Granito India Limited instead of Resulting Companies No. 2, 3 & 4 and place on record all the relevant facts of the matter.

Response of the Petitioner Companies: The petitioner companies submitted that vide an interim order dated 12th September 2024, the Hon'ble Tribunal had sought the clarification on the said issue. The petitioners filed an Affidavit dated 18th September 2024 with the explanation for the same. Copy of the said order dated 12th September 2024 and the affidavit dated 18th September 2024 are annexed to the reply as **Annexure-1**. Perusal of the same makes it clear that the petitioners have relied upon the provisions of the Income Tax Act. It has been submitted that "The definition of Demerger as

0
←

defined under section 2 (19AA) read with Section 2 (41A) of the Income Tax Act, 1961 is relied upon.

Section 2 (19AA) of the Income Tax Act, 1961 defines the term Demerger. The said section reads as under:

"Demerger" in relation to Companies, means the transfer, pursuant to a Scheme of Compromise or Arrangement under sections 391 to 394 of the Companies Act, 1956 by a demerged company of its one or more undertakings to any resulting company in such a manner that –

(i) All the property of the undertaking, being transferred by the demerged company, immediately before the demerger becomes the property of the resulting company by virtue of demerger,

(ii) All the liabilities relating to the undertaking, being transferred by the demerged company, immediately before the demerger become the liabilities of the resulting company by virtue of demerger,

(iii) The property and the liabilities of the undertaking or undertakings being transferred by the demerged company are transferred at values appearing in books of account immediately before the demerger,

(iv) The resulting company issues, in consideration of the demerger, its shares to the shareholders of the demerged company on a proportionate basis (except

40

~

where the resulting company itself is a shareholder of the demerged company);

(v) The shareholders holding not less than three-fourths in value of the shares in the demerged company (other than shares already held therein immediately before the demerger, or by a nominee for, the resulting company or its subsidiary) become shareholders of the resulting company or companies by virtue of the demerger, Otherwise than as a result of the acquisition of the property or assets of the demerged company or any undertaking thereof by the Resulting Company.

Section 2 (41AA) defines the term Resulting Company. The section reads as under:

"Resulting Company means one or more companies (including a wholly owned subsidiary thereof) to which the undertaking of the demerged company is transferred in a demerger and, the resulting company in consideration of such transfer of undertaking, issue shares to the shareholders of the De-merged Company and includes any authority or body or local authority or public sector company or a company established, constituted or formed as a result of de-merger;"

The said explanation was found to be satisfactory to the Hon'ble Tribunal and thereafter the order dated 25th October 2024 was passed with requisite

directions for convening some meetings and dispensing with the other meetings. The Petitioner Companies had also relied upon the order passed by this Tribunal dealing with the same issue in the cases of (i) on 21st July 2023 in the matter of Scheme of Arrangement between Nexion International Private Limited, Nexion Surface Private Limited and Simpolo Vitriified Private Limited and (ii) order dated 12th May 2017 in the matter of Scheme of Arrangement between Sintex Industries Limited, Sintex Plastic technology Limited, Sintex-BAPL Limited and Sintex Infra Projects Limited.

- 8.ii) That, as per the Scheme, the authorized share capital of the Petitioner Transferor Company amounting to Rs. 10,00,00,000/- will be added to the authorized share capital of the Petitioner Transferee Company and the consolidated authorized share capital of the transferee company post-merger will be Rs. 44,00,00,000/-. The Transferee Company shall pay the differential fees and stamp duty, if any, on the enhanced authorized share capital after set-off the fee/stamp duty paid by the Transferor Company(ies) on its authorized capital prior to amalgamation in compliance of provisions of Section 232 (3) (i) of the Companies Act, 2013.

Response of Petitioner Company: The Transferee Company hereby undertakes to pay such difference, if any applicable, for the amount of fees payable as on

date on the proposed enhancement of Authorised Share Capital.

- 8.iii) That, Petitioner Resulting Company 1/Demerged Company 4, namely, Asian Granito India Limited is listed with the BSE & NSE and Petitioner Company has submitted with the office of the Regional Director, the copy of both observation letters dated 01.07.2024 & 02.07.2024 issued by BSE & NSE respectively to the petitioner Resulting Company 1/Demerged Company 4 pursuant to the SEBI circular No. SEBI/HO/CFD/POD-2/P/CIR/2023/93 dated 20.06.2023 for necessary compliance. The SEBI's circulars are intended to ensure compliances by listed companies in the interest of shareholders at large. This office is of the view that the SEBI circulars which are applicable, and the petitioner company should comply with the requirements of the circular.

In this regard the Hon'ble NCLT may be pleased to direct petitioner Demerged Company to place confirmation /undertaking before the Hon'ble NCLT that company has complied the observations of aforesaid letter of stock exchange.

Response of the Petitioner Company: The petitioner companies confirmed that the Petitioner Resulting Company-1, being a public listed company has complied with all the applicable requirements of the SEBI Circular No. CFD/DIL/3/CIR/2017/21 dated March 10, 2017 read with Master Circular dated November 23, 2021 and June 20, 2023.
